### Remarks/Arguments

The Applicant requests the claims following amendment be accepted. Each objection of the 6-23-2010 OA is addressed by the cancellation of all claims except for Claim 16 which was accepted by the Examiner.

Claim 16 has been amended to add a colorant to the optional group. Applicant argues this does not modify the basis of the OA acceptance and therefore respectfully submits that this application is now in full condition for allowance.

Respectfully submitted,
